There is nothing more
permanent than change
Through the past four
years we have changed

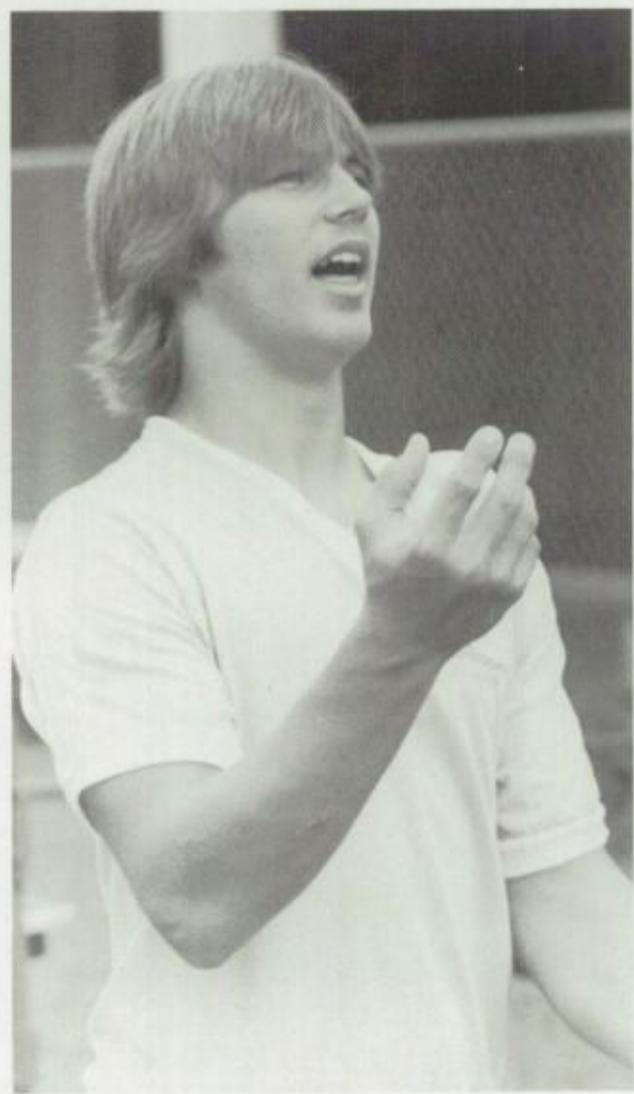

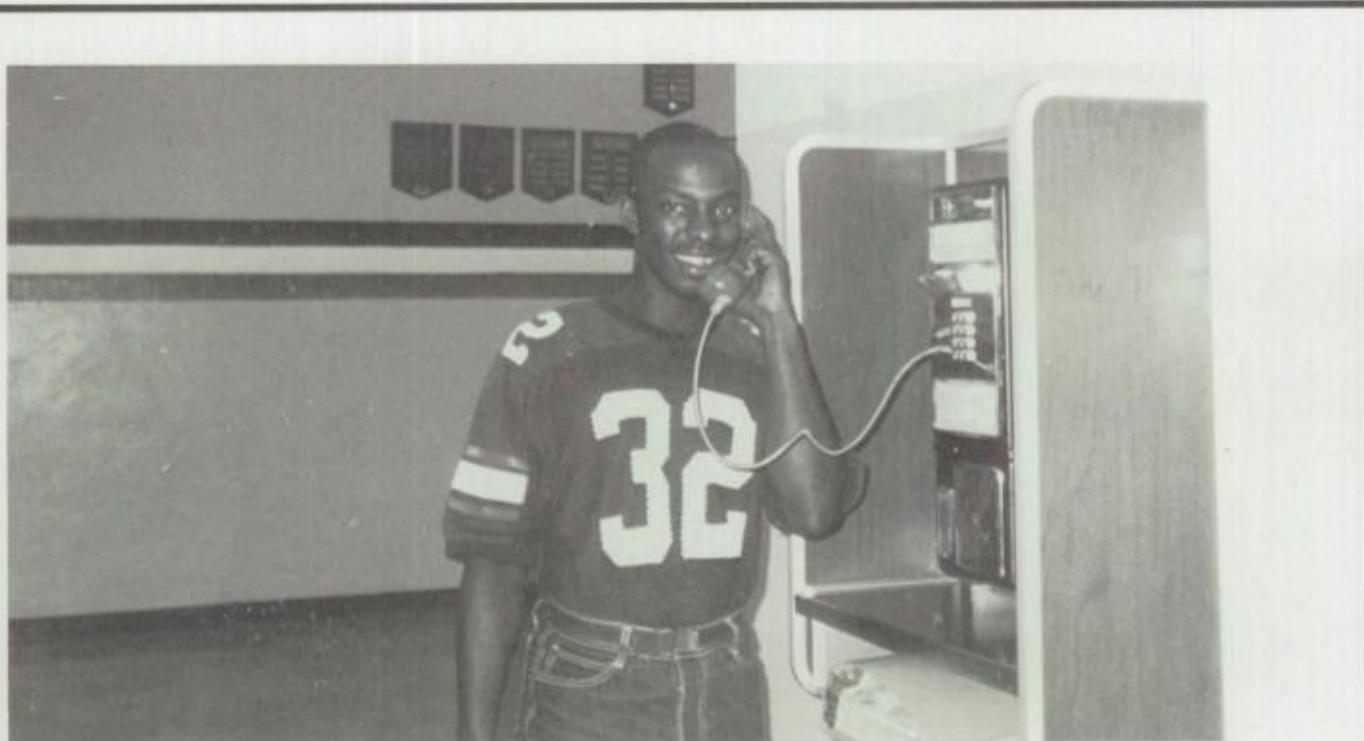

We have grown through
experiences

Four years ago we
were different

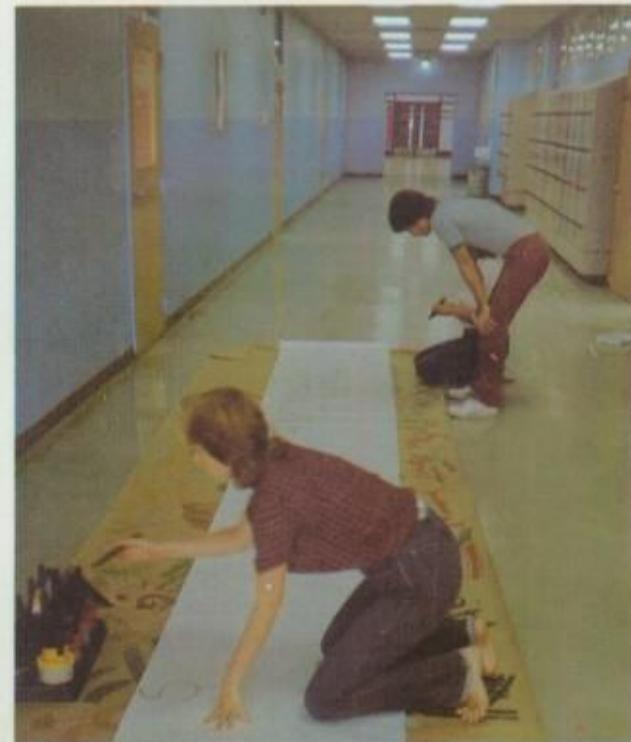

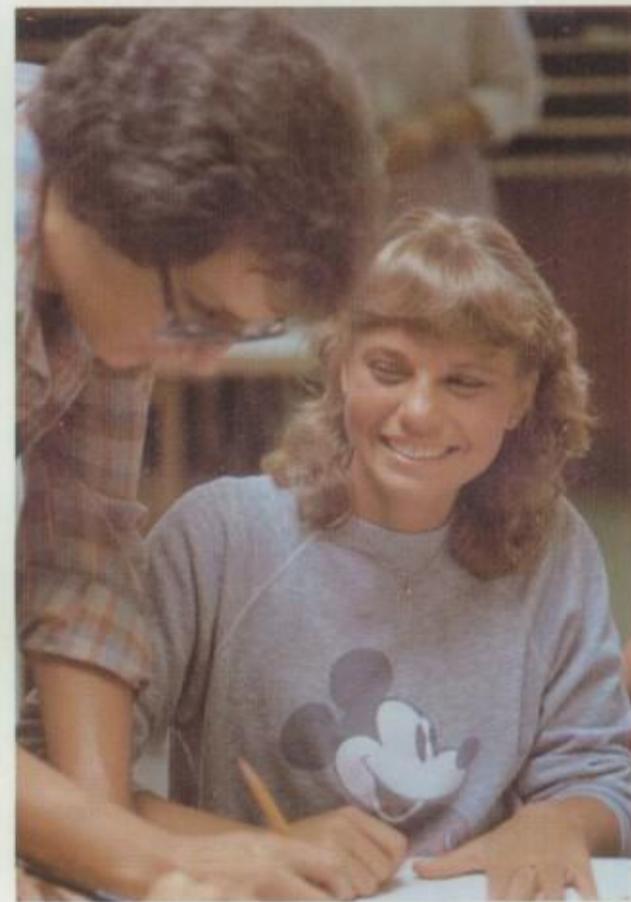

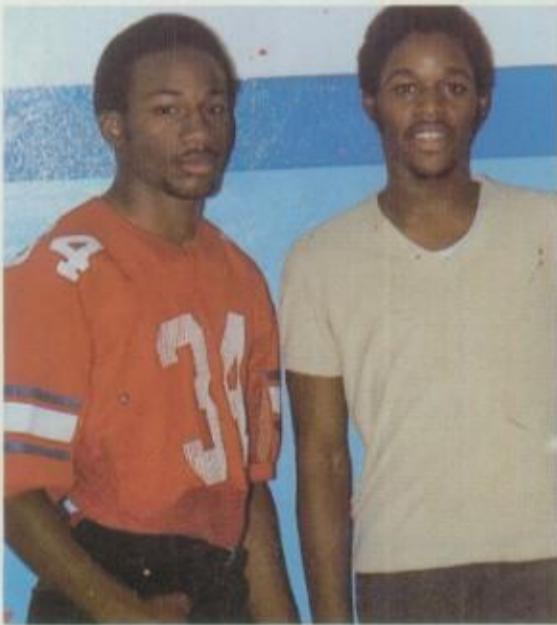

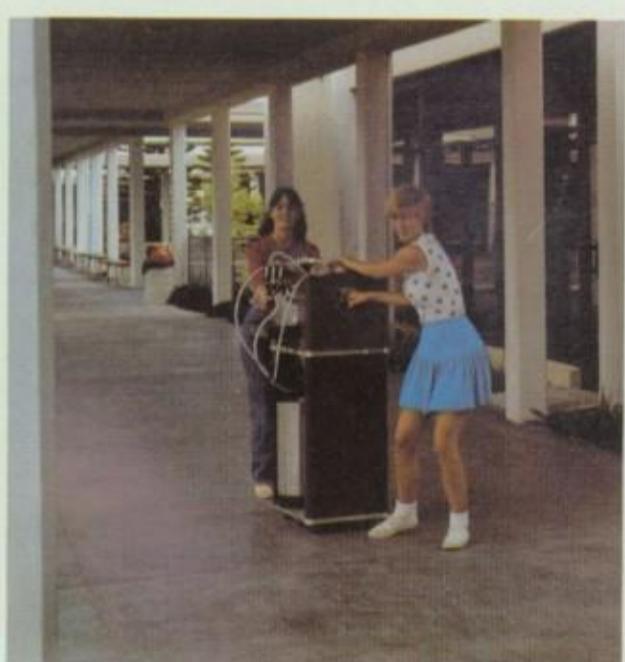

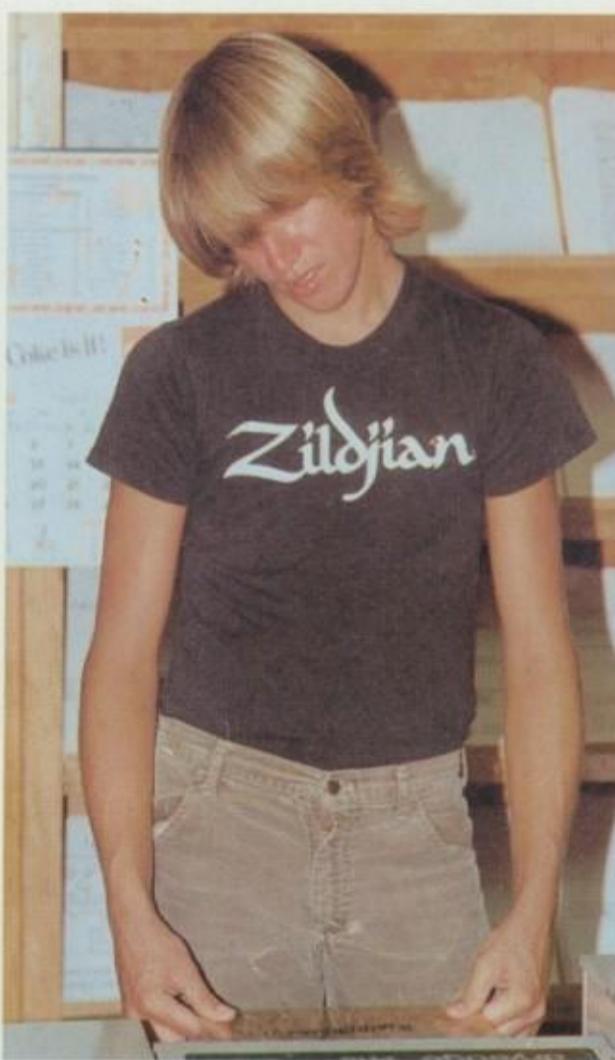

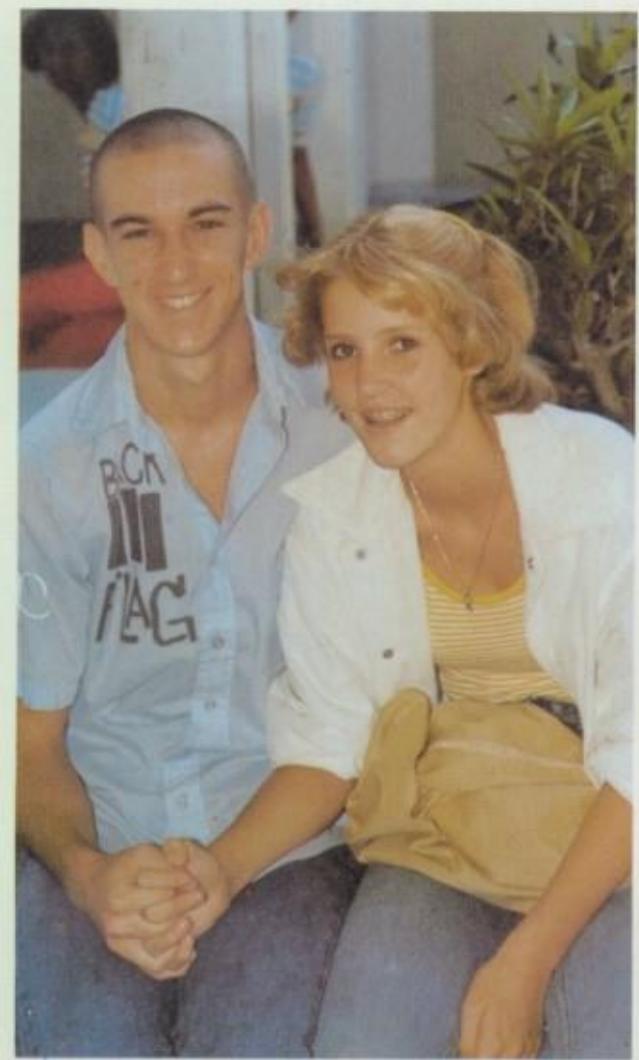

Four years from now we
will have changed
Life is one change after
another

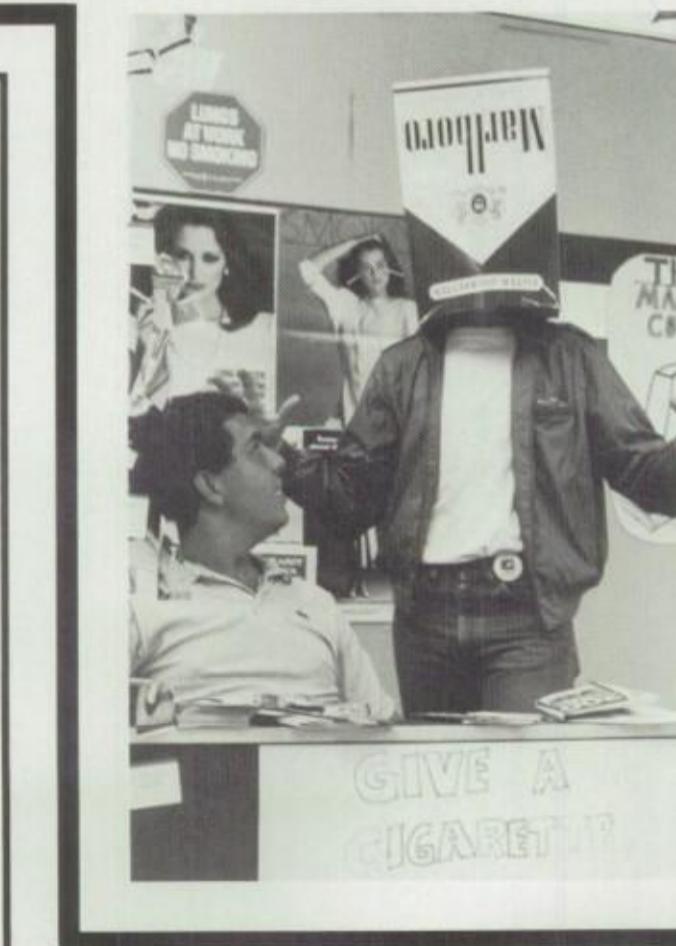

When we cease to
change — we die
May all our changes be
better than yesterday
and not as good
as tomorrow

STUDENT LIFE

STUDENT LIFE

To keep up with the changing lifestyles of the many students at Plantation High School, this year's Student Life section has greater coverage. There are an additional twenty pages added to really represent the wide range of student activities.

Beginning with ninth grade, when a student reaches a new phase of maturity and enters high school for the first time, until the final day of their Senior year, many changes take

place. Taste in music and clothes can vary. Where someone hangs out change with each passing year. Becoming more involved in school activities could be another big change.

Though we change during these years, these changes will remain part of our lives.

School Reopens

As the end of August approaches and the school bell rings for the first time parents find themselves somewhat relieved and the students are eager to meet a new challenge. For some students the new year marks a big change. Ninth graders enter a new world, as seniors prepare to spend their last months in high school. Four years pass between the years of freshman to senior, and as students walk down the graduation aisle some wonder where the time has gone. Years of study, of football games, of Homecoming, report cards, special friends, dances, proms, hall decorating, and receiving the diploma on stage seems to fade looking through the misty eyes of memory.

Friends made, experiences felt, lessons learned, all fuse together forming a young adult ready to meet the challenge of tomorrow. The changes that take place are not only within but physical as well. As development continues tastes change, ideas grow and outlooks are modified to help shape tomorrow's adult. The past is — *the past*. Tomorrow — *the future*. We are tomorrow's world. ■

New Stands Shine

After one year of having all of our home games at Lockhart Stadium, the PAL field was finally reopened. The stands were closed in July of 1981 because they were declared unsafe. The old green wooden stands were replaced by shiny new aluminum stands.

As promised, the new stands were completed in time for football season this year. Plantation as well as South Plantation used the PAL field as their home field.

Attendance was up for the games, as well as a general increase in school spirit. The Booster Club also increased its activities. Financially, the

athletic department did very well this year because of the gate receipts at PAL. More people attended the games because they were closer. ■

What A Way to Begin the Week

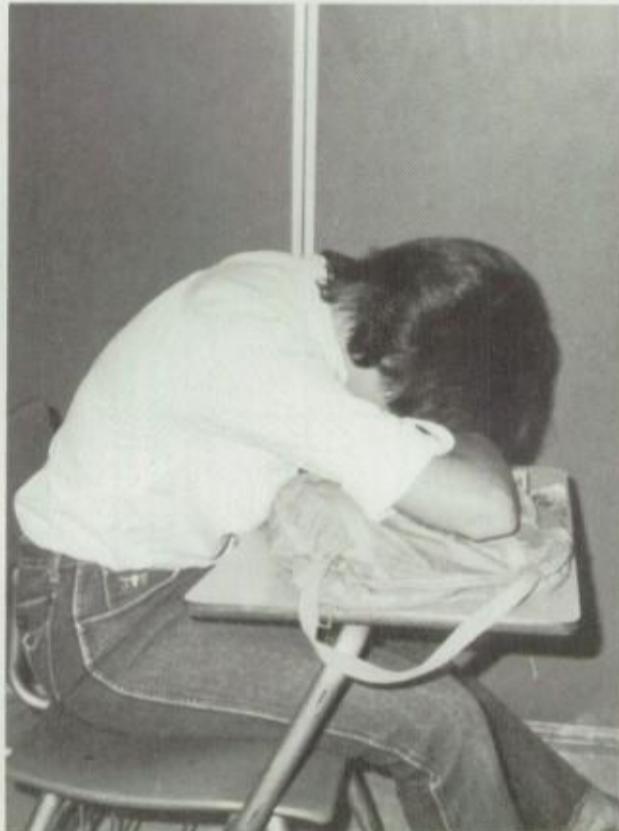

Trying to get a realistic look at student life at Plantation High, the topic of Mondays has been added. No matter how good or bad the weekend was, Monday always puts an end to it! Although Monday is suppose to be a workday, most students find it difficult to begin a new week of work. There are also those students who pay more attention to the clock than their teacher. Some students feel the only Mondays that are any good, are those when school is closed. However, Mondays can be the day of change as a fresh start can begin. ■

A 'Lot' of Confusion

The parking lot issue has disrupted many students daily routine. Students remain unhappy with the parking lot situation. Various complaints were made concerning the distance from the school, the limited number of spaces, and the priority for students to park. Most students felt that it might not be so bad if some sort of a shelter was added on to the construction of the new auditorium which would allow students to travel from the parking lot to the school.

Senior Robbie Burgess said, "It is pitiful and you end up soaking wet by the time you get to school if it rains."

Mike Alperowitz added, "You have to leave for school 10 minutes early so you will be at school on time." ■

Time Out

Just the mention of the word - weekend, and immediately thoughts of good times come to mind. The beach is one of the most popular places to go over the weekend. In the day many people go down to the beach to work on their tan, but at night the beach is just as popular. Many parties occur during the weekends. First there is the open party. This is the type when everyone and anyone can attend. Then there is the private party where only certain people can attend. Many Plantation High School students head up coast to Sebastian for the weekends, and go surfing. There are also those people who attend the various sporting events that occur over the weekend. Other popular activities over the weekend include going to the movies, shopping, and going to arcades. ■

Fads Come, Fads Go - 1982-83

Clothes have been a main contributer to fads and fashions. That includes surfing clothes of all sorts, mini skirts, fashion shoelaces, boots, dock-sides, IZOD and polo shirts, as well as many others. Fads could also include objects like Walkman, the smurfs, surfing accessories, Garfield, and E.T.

One of the biggest items this year was the movie Annie. The movie did not live up to the merchandise offered in conjunction with the movie. The items ranged from greeting cards and party accessories from Hallmark cards, stuffed animals from Knickerbocker toys, to a complete line of clothing, sleepwear, and bedding from Sears.

Far and away the biggest surprise of the year was Steven Speilburg's E.T. (Extra Terrestrial). This movie is on it's way to becoming the all time Box Office Champion, according to Variety. Not only did more people see this movie this year, but more people saw it a second time after the Christmas re-release.

At Christmas more than 200 companies produced merchandise geared to E.T. lovers of all ages. A realistic rubber mask sold for \$50.00. Atari came out with a video game based on E.T. A boardgame was introduced by Parker Brothers and the E.T. doll was manufactured by the millions.

All this for a movie tie-in on a film that was turned down by 5 major studios.

The biggest mistake of all was made by Mars Candy Company, when they refused to let their products be used to lure E.T. out of the shed. Hershey Corporation allowed Reese's Pieces to be used and sales of the candy rose 75% and production could not meet with demand.

E.T. 2 will be produced after Raider's of the Lost Ark 2 scheduled for release during Christmas 1983. E.T., please phone home. We will probably never see a phenomenon as this again.

Fads come and go, but like the hula-hoop, from time to time return and are introduced to another generation. How will your children react to a 3-foot brown and green creature with wrinkled skin from outer space? ■

Live Music In Florida

The year of 1981 was a historical one. The Rolling Stones played two shows at the Tangerine Bowl Oct. 24-25. All tongues were out for them. The year 1982 brought some audacious bands to Florida. The Slowhand himself, Eric Clapton bluesman and guitarist (respectively) hit some nice notes midsummer at Hollywood. Cheap Trick also did a hot summer show selling out Sunrise. Fleetwood Mac was welcomed at the Tangerine Bowl Labor Day weekend. Moving down the line, heading back South again to Sunrise where Elvis Costello headlined his concert with superb taste. A big number for '82 was The Who's last appearance together, facing Florida for the last time. They put on

a hellacious show, subsequent to Daultry's uncanny stubbornness, refusing to play "My Generation". Billy Joel also played Nov. 27 at Hollywood. And Dec. 10 and 11th Van Halen came to the Hollywood Sportatorium. There was free spirit all around, an uninhibited group that put everyone into a frenzy state of mind. The show was a big hit. ■

Rock - '82-83

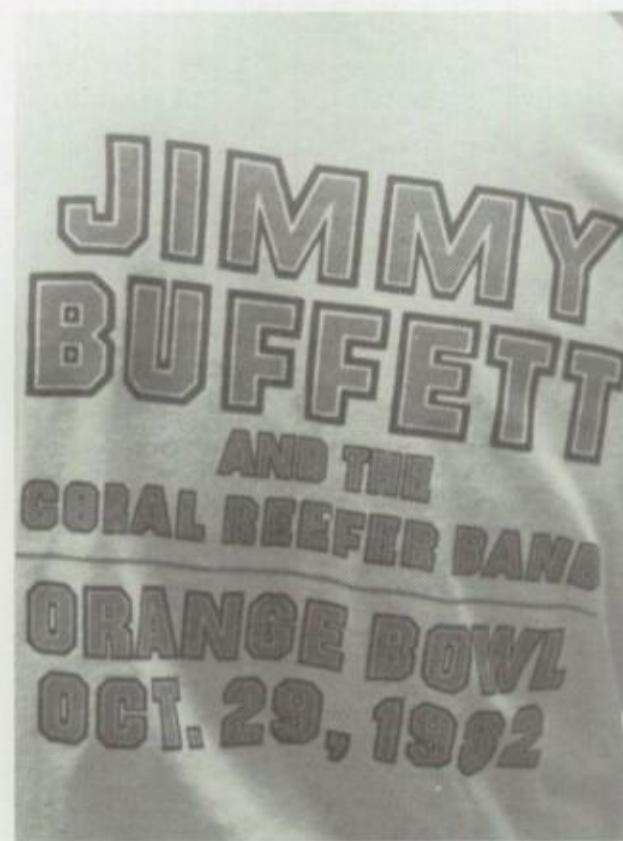

Music makes the world go round. It has been with us from the first drums to the latest electric synthesizers. Music has become more intense and widespread through the years. For instance, the change went from stereo consoles to the ever convenient Walkman that can be carried around anywhere. Other improvements to music is not only can groups be heard from records and on the radio but they can be seen as well, on MTV. MTV stands for Music Television, which is musical performers on video clippings performing their songs. MTV's latest concepts are on the uprise but live concerts are still very popular also. ■

This years Homecoming game proved the strength of the Colonel's. The game was held on November 5, 1982. The Varsity football team managed to beat the Dillard Panthers, 14-13, as they played on a rain soaked field. Although it did rain the Homecoming Court went on the field to receive their honors. The Court consisted of 8 girls, who were all Seniors. The Senior class voted for the following girls as the 1982-83 Homecoming Court: Tracey Freeman, Sue Larder, MaryAnn Porter, Sharon Shewbridge, Kim Smoke, Brenda Roundtree, Dawn Youngblood, and Debbie Youngblood. The weekends and days off are the most popular times for Plantation High Students to spend their time at Bahia Mar Beach as well as other parts of the beach, but Bahia Mar is more popular. Many activities take place at the beach. Such as: sun bathing, playing frisbee, volleyball games, swimming, surfing, or just plain hanging out and doing whatever one enjoys to do.

A lot of time is spent at the beach in Florida due to the constant nice weather even during the different seasons. Although some days are cooler than others, activities still take place at the beach. ■

Rainbows Connect Theme

All clubs, organizations, and classes participated in decorating the halls October 31, from 8 a.m. until 6 p.m. The halls were decorated to gain spirit and recognition of Homecoming.

Each organization was assigned an east or west section of a hall to decorate. Seniors were assigned the main hall. Each organization also decorated floats for the Homecoming parade.

The halls and floats were decorated according to this year's themes which were Rainbow Connections, Muppets, Arthur, or anything that goes on during Homecoming.

The clubs, organizations, and classes designed and decorated their halls and floats using these themes,

also paying for all supplies. The halls remained decorated for an entire week. At the end of the week, teachers judged them on originality and neatness. FBLA was first with their theme of Smurfs. They received \$25. Juniores came in second and Seniors in third.

A lot of time and effort is spent on the halls and floats for this one special occasion. It becomes a special time for students to show their overall enthusiasm and spirit. The parade is appreciated by neighboring schools and local onlookers.

"The reason we decorate the halls is to gain school spirit during Homecoming," said Barrie Tessler, Hall Decorating Chairman. ■

Money Needs

Plantation students have found high school years expensive. Many Juniors and Seniors use cars for transportation and along with cars comes gas and insurance. Other students attending Plantation High are saving for college. College tuition and expenses are on the rise along with many other things.

Along with college expenses and cars comes expenses for the weekend. Going out on a weekend night can now cost you close to \$20. Therefore many students at Plantation High have found part-time jobs. ■

Plantation - Our Home Town

The city of Plantation has grown as the students of Plantation High School develop socially and educationally with each new year as students grow, new areas of interests are developed. Plantation meets the needs of todays young adults through development of community activities. Such as little theatre groups, a sports program, a recreational complex, and areas of entertainment. Where people go and what people do during out of school hours constitutes the "real world".

Whether it is Saturday night at the movies; browsing the Broward Mall for the latest fashions; playing soccer near Richway or using the local library,

students are active in their community. Work, play and education come together and help todays young adults mature in order to meet today's changing society.

From the steps of City Hall to the limits of State Road 7; to Sunrise Boulevard to State Road 84, Plantation, Florida contains our immediate world.

The beach on A1A is the site of many of the recreational activities of today's young adults. Windsurfing, swimming, surfing, opposit sex watching and the use of hobie cats all make out of school time fun and help build athletic strength. ■

Computers Aid Education

Computers have become an important part of Plantation High School this year, as the school board has given each high school up to thirty new computers. Besides our computer lab in room 501, the language lab in the two-hundred hall has been completely redesigned as a computer classroom. This new classroom serves both the students of P.H.S. and the newly developed night school programs.

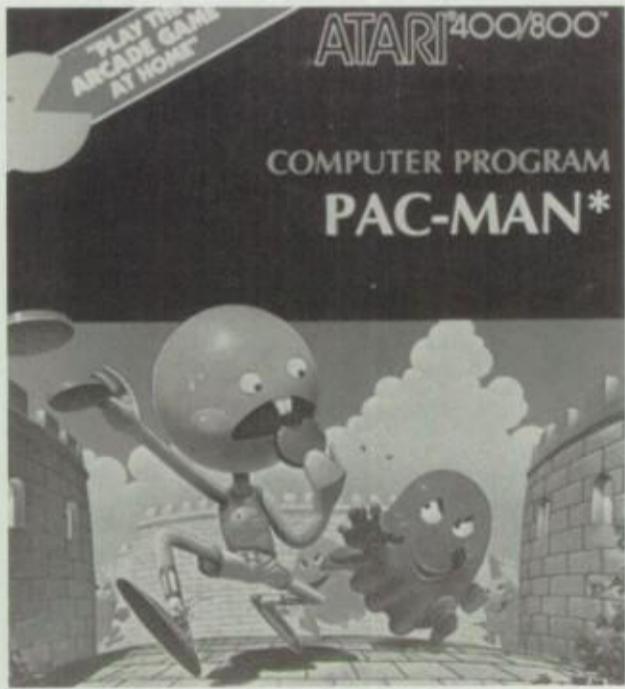

In addition, this year the business department received the first of several shipments to complete a new IBM computer center.

For the first time this year terminals

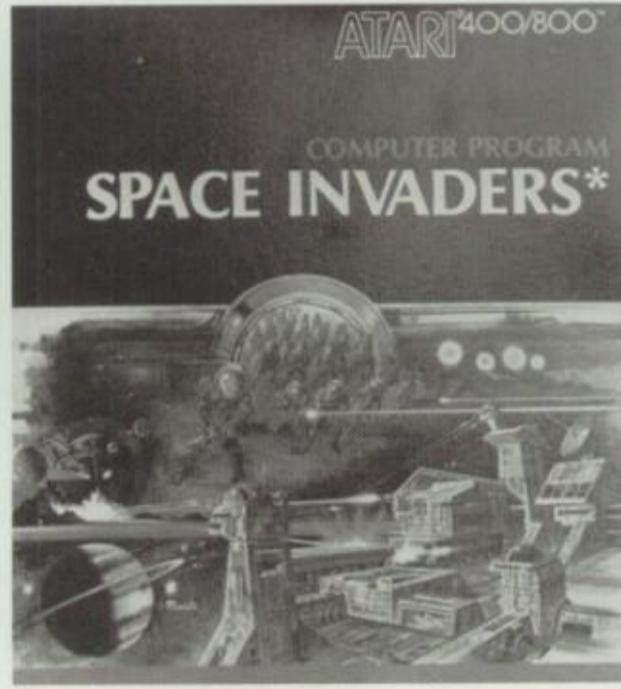

in each of the main grade level offices have been connected to the main computer at the School Board. This not only helps grading and scheduling, but the recording of absentees as well.

In the office of Mrs. Winger, the data processing office, has been redesigned to be more in touch with the computer center downtown at the school board.

The IBM attendance cards, turned in by teachers for attendance purposes during first hour, were replaced during the second semester by computers labels that were automatically sent to the master computer. ■

Videoitis

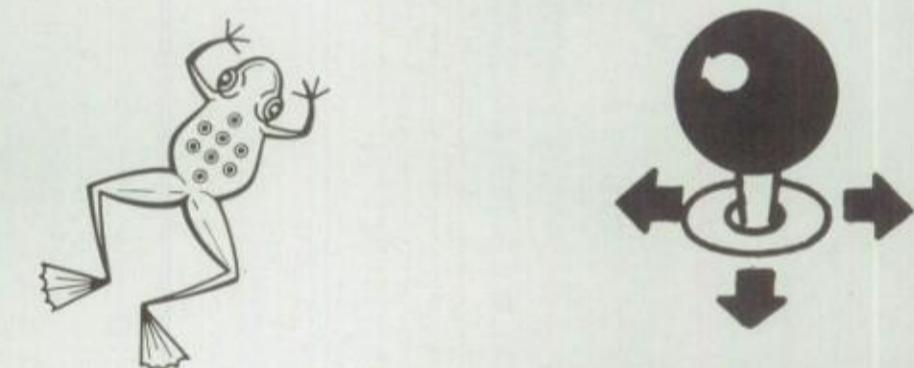

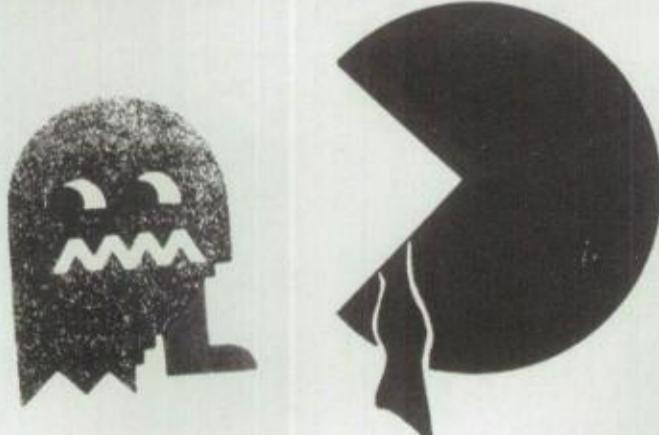

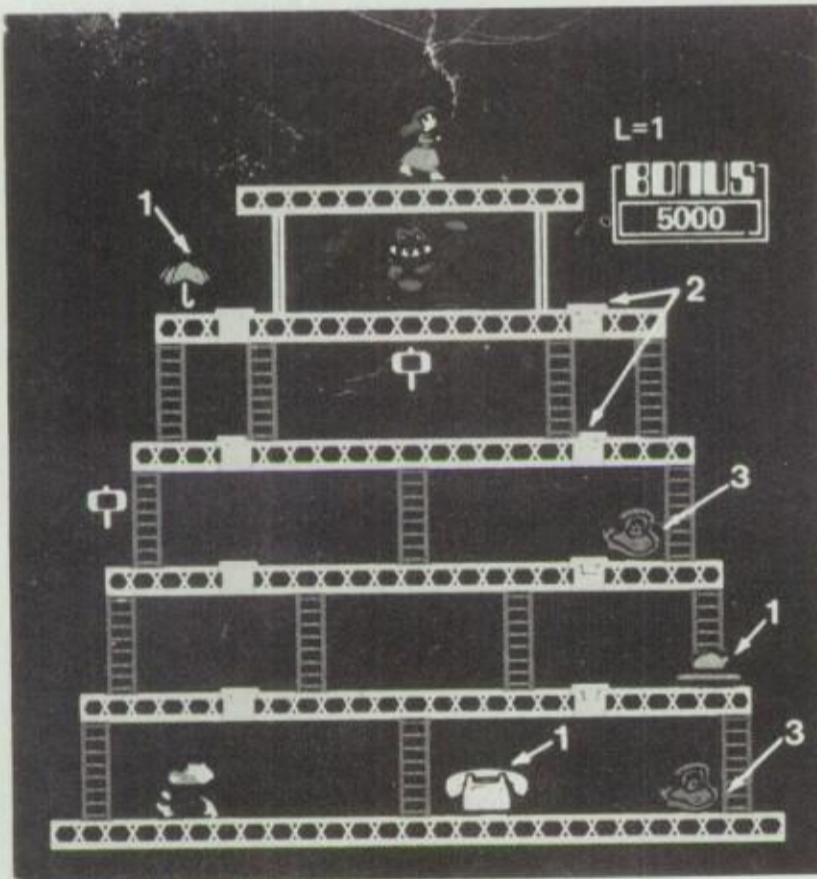

Some call it a fad, others an addiction, and even others a waste of time and money, but video games are one of America's favorite pastimes.

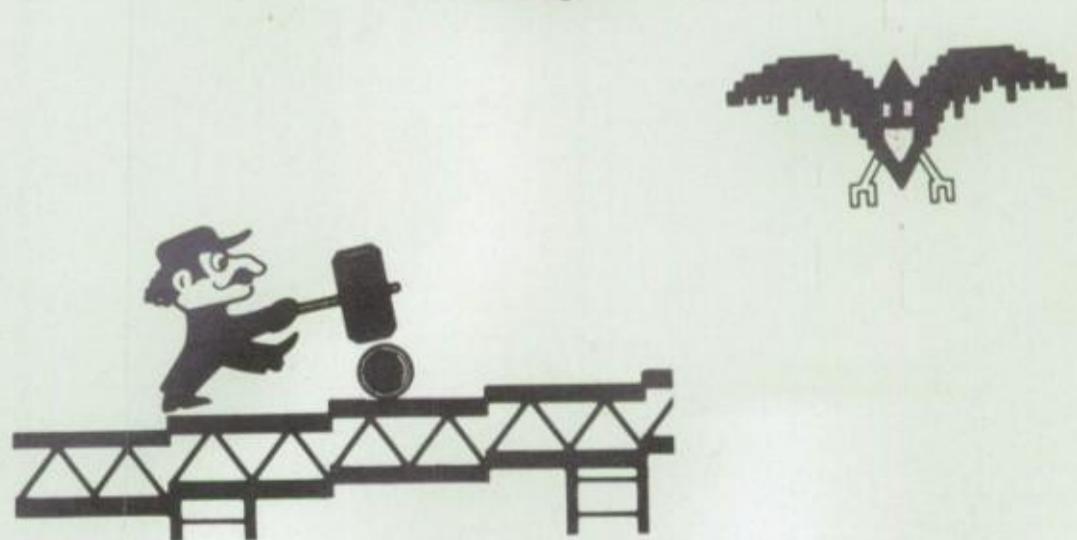

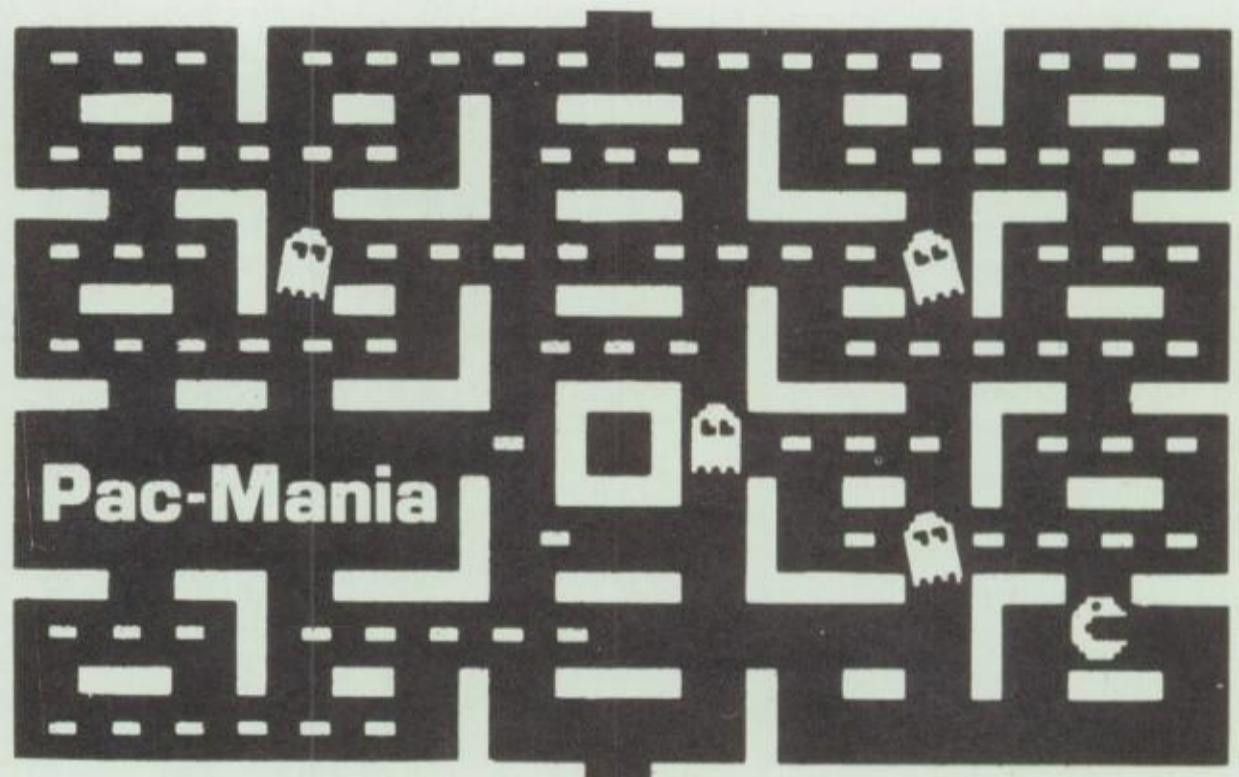

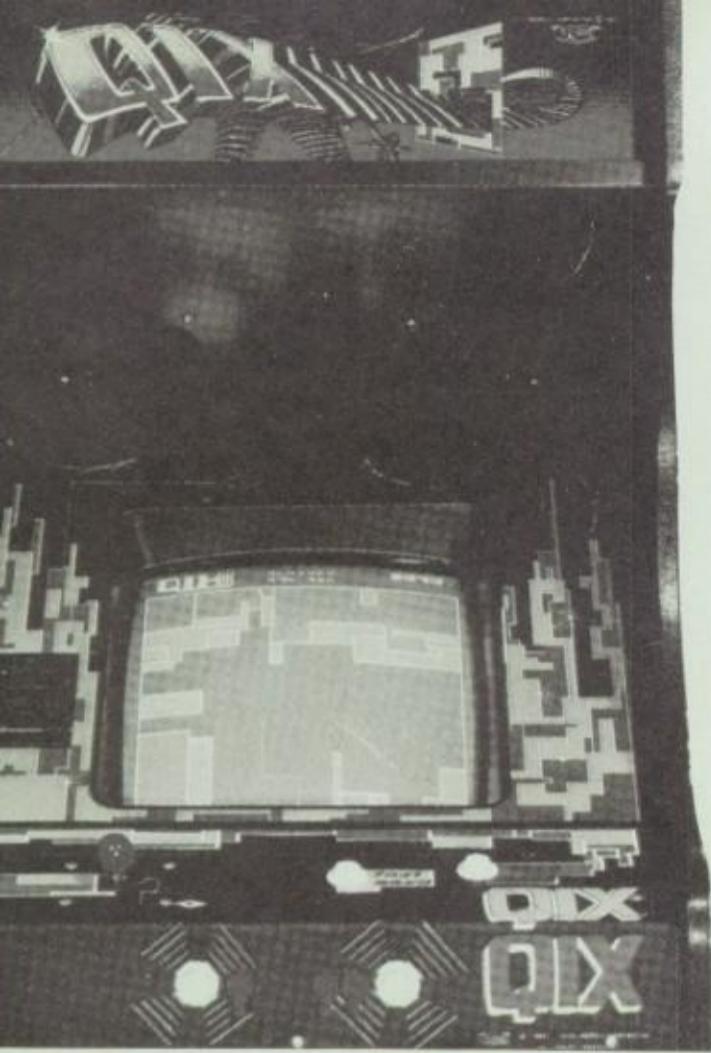

The average video game brings in approximately \$150 a week. Some of the best games such as Pac-Man, Donkey Kong, Asteroids, and Defender bring in from \$200 to \$250.

Video games are a rapidly growing part of our society. There are games almost everywhere from corner stores to restaurants to arcades. The games appeal to people of all ages.

Some establishments, due to the profit involved in video games, use the games as their main attraction. These establishments offer pizza or go-carts as "side activities" to the games.

Video games, even though they are somewhat of a sensation, are facing difficulty. Many organizations are deeming them addictive, and many cities are passing ordinances limiting their use. Video games seem to be surviving, however, and they are apparently more than a passing fad. ■

Dinner Held

The annual Senior Father Daughter Dinner was held on Monday October 18, 1982. This is the chance for all senior girls to take their father, or someone who is a father figure out for a special night. All girls were required to bring a covered dish. The talent was provided for by the following senior girls: Edie Lebeiko - singing; a comedy skit by Elaine King, Sue Larder, Jeanie Holmes, Melissa Gillette, Lori Sugarman, and Barrie Tessler. Poems were provided by Robin Lowery and Lori Curry for their fathers. The dinner was held in the cafeteria. The admission fee was \$1.00 per person.

Denise Wolf was the chairperson who helped set up for the dinner along with some junior girls. ■

School Spirit Is Where It's At.

Spirit Week is traditionally a week of festivities to promote school spirit and help our football team defeat our rivals, especially South Plantation. The five days are usually sponsored by Student Council and includes a movie and a banner contest as well as a dance. This year, however, Student Council abandoned the project.

Although Student Council does still sponsor the Spirit Week Dance. Many of the other clubs on campus also sponsored activities. Interact sponsored a bonfire on Thursday, the day before the South Plantation game.

Approximately four-hundred and fifty kids showed up at the bonfire, which was free of charge. Friday the band had a pre-game barbecue. Attendance was only fifty to sixty people, although hopefully attendance will pick up in the future. People were supposed to walk to PAL behind the band, although most drove.

Interest in the game was created through a pep rally before the game. The pep rally during Spirit Week was very effective. It gave the team and student body the kind of motivation that was necessary. ■

Interact Disbanded

The purpose of Interact is to serve the school and the community through different projects.

This year's club officers were: Guy Bevilacqua, President; Tim Snodgrass, Vice President; Mike Alperowitz, Secretary; James Sommer, Treasurer; and Jack Curran, Sergeant at Arms.

Interact sponsors many projects. They hold an annual bonfire during Spirit Week before the Plantation vs. South Plantation football game. They also have previously sponsored Powder Puff for Junior and Senior girls.

One of the major problems facing Interact this year was the change of sponsors. Mr. Weissman had been the club's sponsor for the past three years, but this year the position was taken over by Mr. Bowles.

Unfortunately, this year Interact was forced to disband after the first semester. When asked why, club members stated that their required service projects for this year had not been completed. ■

Jr. Civitan Wins Trophy

Junior Civitan's main purpose is to provide help and service to our school and the community around us.

This year's officers were: Susie Ray, President; Diane Ziegler, Vice President; Christine Gagnon, Secretary; and Donna Corbin, Treasurer. Miss Bossong was the sponsor.

Over the school year, Junior Civitan sponsored as well as participated in many projects. In February, they sold corsages and boutonnieres for St. Valentine's Day. As a service to the school, they painted the soccer goal posts. The club participated in a pizza-eating contest between all of the clubs. With money that they raised from various projects, the club bought shirts with a Junior Civitan insignia on the front.

Because of their overwhelming participation in many activities as well as for their service projects, Junior Civitan won a trophy claiming them to be the all around best club. They also won two other trophies as well. ■

The main goal of Juniores is to provide service and help to our community and our school.

The officers for the club this year were: Denise Wolf, President; Nancy Fisher, Vice President; Nicole Makowsky, Secretary; Jill Miller, Treasurer; and Renee Lumsden, Chaplain. Miss Kennedy was the sponsor.

During the school year, Juniores participated in many activities. During Homecoming Week they entered the hall, skit, and parade float competitions. Through hard work on the decoration of their hall, they took second place in that field. In December, Juniores sponsored a boutonniere and corsage sale for the holidays.

This year, Juniores decided to try something new. They made up and distributed a list of all of the faculty members along with a list of categories including such categories as "Preppiest," "Best Looking," and "Strictest." The students voted. The project was enjoyed by everyone.

Cheerleaders Lead School in Spirit

Varsity football cheerleader captain, Charlotte Moyer, and co-captains, Andrea McDowell and Melissa Gillett, led the 1982-83 football cheerleaders. The football cheerleaders feel that they brought the image of cheerleading a far way from last year. The cheerleaders also feel they increased the school spirit at such activities as pep rallies, team burials, and football games. The varsity cheerleaders, thirteen members, kept up the crowds spirit through the intense moments of many football games.

To prepare for each of the games the cheerleaders had to put in many hours of practice. This year the Varsity football cheerleaders were sponsored by Mrs. Foster. The football cheerleaders would like to thank Mrs. Foster for all the help and support she gave during the football cheerleading season. To raise money for next years uniforms the football cheerleaders sold school spirit ribbons. The football cheerleaders learned several new cheers which included such ones as Don't Be Shy, and Plantation High School Mount Cheer. ■

Swimming Moves to Fall

The Plantation Colonels Swim team was coached by Ms. Berg. The Boys' swim team, led by Captain Joey Benjamin, had a record of 9-3. The girls' swim team, led by Captain Marcia Wolf, had a record of 6-6.

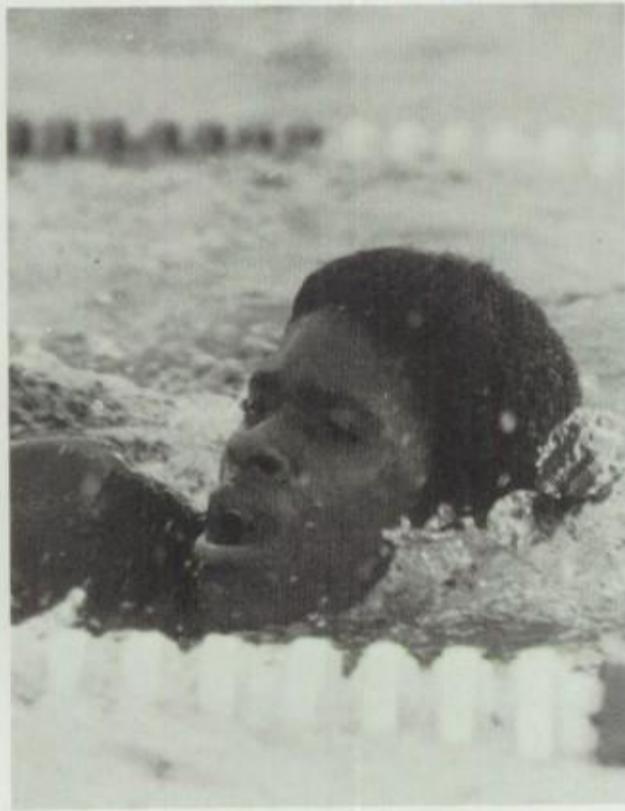

Ms. Berg believes the reason the team did so well is because of team spirit. Ms. Berg said that Joey Benjamin, Tom Enos, Robert Paine, Matt McMillan, Anton Hall, and diver Scott Lesh all had an outstanding season. She also complimented the swimming of Nancy Gourd, and Marcia Wolf.

Swimmers back from last year's team are Joey Benjamin, Mike Bren-

nan, Sanford Dickert, Anton Hall, and Scott Lesh for the boys. The girls returning from last years team were Dara Fleischer, Nancy Gourd, Susan Gourd, Corinne Mous, Mary Rehage, and Marcia Wolf.

At Districts, Boys' Captain, Joey Benjamin won two events, while Scott Lesh came in third in the diving competition. The boys relay came in third with a team consisting of Joey Benjamin, Anton Hall, Tom Enos, and Robert Paine. Marcia Wolf qualified for the butterfly on a wild card draw.

The Plantation Colonels swim teams home pool was Springtree. ■

Boys Soccer Kicks

Ending their season at 10-5 the Plantation High School Boys Soccer Team came in second place in their district standings. This years team saw a new coach come to Plantation High School and Mr. Roy Perrone proved to be a big asset to the team.

Coach Perrone feels that he had a very experienced and skillful team this year. The reason for the soccer team having such a good season was the playing of the team as a whole according to Coach Perrone. The teams key players were Greg Lopez in the goal, Sven Lichtenberg and Billy Thomas on defence, Heriberto Amortique, Dave Mantel, and Brian Timm in the midfield and Brian Adler and Ira Adler at the forward position.

Coach Perrone feels that Plantation High School has the potential for an outstanding soccer program with players coming from the P.A.L. league and the Sunrise league.

Asked why he took the job, Coach Perrone said he took it because he has been involved in soccer for many years and loves the game. According to Coach Perrone he feels that in the near future more people will support the sport and that it will be a spectator sport.

Coach Perrone would like to give special thanks to Robert Meshbach for his assistance through the season and for the support from the fans and the parents of the players. ■

Girls Soccer Has Learning Season

The 1982-83 Girls soccer season was a learning experience for many of the girls according to Coach Dietrich. Coach Dietrich feels that because the team is young he will have a very strong team next year.

The willingness to try seemed to be the main strength of the team. A combination of team work and spirit is what held the team together. Most spectators admired the teams willingness to try and succeed. Through the season the girls learned many various aspects of what it takes to be a team.

Coach Dietrich took the job because he was impressed with the girls interest in the sport and felt that they should not be denied the chance to play soccer. Coach Dietrich felt that each individual team member worked extremely hard and hopes to see a big turn out next year. ■

CBE and DCT Help Students Prepare

The CBE, Cooperative Business Education, students learn to use business skills in the class room every day. CBE students use their skills in an office job. Each student gets graded on their skills at their job. CBE is a two hour course in which students must attend if they are attending work that day. This course consists of 23 students. This course is worth four credits. Some of the CBE fund raisers were: A two year planning calendar, stuffed animals, and candy. The 1982-83 CBE officers: President - Karen Gallanthen, Vice President - Jarmoon Samlal, Secretary - April McCormick, Treasurer - Sherry Smades, Historian - Diane Grizzle, Parliamentarian - Ann Heintjes, Reporter - Linda Lawdan.

DCT - the Diversified Cooperative Training Program (DCT) is designed to assist the student in choosing a career and in obtaining working experience in that career. This opportunity is offered to 11th and 12th grade students who wish to work in their chosen field as they earn credits for graduation. ■

Society Tutors

The National Honor Society consists of a selected group of students. To be a N.H.S. member one must be ranked in the top 10 percent of their class. There are 56 members on the National Honor Society. Carolyn Pryor is President and Mitch Campbell is vice president. This year National Honor Society had a new sponsor, Mr. Moore. National Honor Society members all play a very important role at Plantation. Besides being there to set an example, they also serve fellow students. For instance, any student can obtain free tutoring from a N.H.S. member on any subject during lunch. All National Honor Society members have an image of being a leader, willing to serve whenever needed, and to promote academic spirit throughout the school. This years N.H.S. officers include Secretary, Patty Helper; Treasurer, Kathy Barbieri, Sergeant at Arms, Elaine King and Paul McDaniel. ■

Staff Shows Changes

This years yearbook staff was busy creating a virtually new and different yearbook. The editors of the various sections in the yearbook were attending many individual conventions to help the work of the staff to distribute a better yearbook than all the yearbooks of the past. The staff has convincing new ideas. The Editor-in-Chief for the 1982-83 Reflections Yearbook is Iris Donitz senior. The managing editors are sophomores Lisa Ventresca and Matt Pirozzolo. The Business manager is sophomore Jeannie Redman. The sections editors are: Joyce Hart, Organizations; Allison Grodner, Classes; Becky Lundsford, Clubs; Kevin Dwyer, Sports; Michelle Summers, Faculty; Faith Blomeke, Student Life; Lisa Bell, Photo Editor; Susan Niland, Copy Editor.

New ideas and ways of doing the layouts have been added this year. Twenty extra pages in the Student Life section have also been added. ■

New Developments

This year there has been a new development in the 1982-83 Colonel's Journal. Instead of individual editors there is an editorial board. The purpose of this was for each of the editors to gain experience on more than one section of the paper. This is practical experience because a college editor is paid \$500 a month which could prove to be profitable. This year's advisor of the Colonels' Journal is Ira Kinder. Mr. Kinder is also advisor for the Reflections Yearbook staff. This year's editorial board consists of: Margie Roberson, Ken Turner, Robert Payne, Jackie Miller, Mark Holt, and Ronnie Levine. The staff consists of 20 students: Hayden Black, Ken Clifford, Dawn Funger, Robin Goretsky, John Hepler, Tami Klein, Kim Leider, Chris McManus, Pam Miller, Ken Pease, Elisabeth Reynolds, Lee Rife, Barbara Strashun, Michelle Baker, Jay Campbell, Terri Latour, Nancy Lester, Tim Detoure, Kim Orth, and Sue Katz. ■

International Clubs

The International Club's main goal is to broaden the students' knowledge of their heritage. The club accomplishes this by visiting different places and celebrating traditional holidays.

This year's club officers are: Arlene Ramos, President; Mungree Samlal, Vice President; Cindy Townes, Secretary; Karen Holifield, Treasurer; Beth Pectol and Shirley Raynaud, Activities Directors. Mrs. Rowntree was the sponsor.

The International club was started here in 1981 and the club members hope it will continue for many more years. ■

Getting Ready for the Future

FHA/HERO, Future Homemakers of America/Home Economics Related Occupations and Childcare, are national organizations designed to inform its members of the aspects of home life. This year they participated in many rewarding community and social activities. HERO and CHILDCARE classes have youngsters into their classrooms. They have a day care center in the spring. Students sometimes go into kindergarten classes to see how they are run. They learn to teach little kids how to act and behave when they are out in the public. They visit different day care centers and homes that have little kids to see how different children are raised and treated by different kinds of people and how they react to the parents and the way they are treated. The FHA/HERO main officers are: President Donna Sullivan, Vice-President Anton Hall, Secretary Lisa Millican, Treasury Demitrus Neal, Historian Sally Frederick, Parliamentarian Marcy Chanin. The CHILDCARE main officers are: President Lori Beswick, Secretary Kathy Guppy, Treasurer Maria Politis. ■

FACULTY

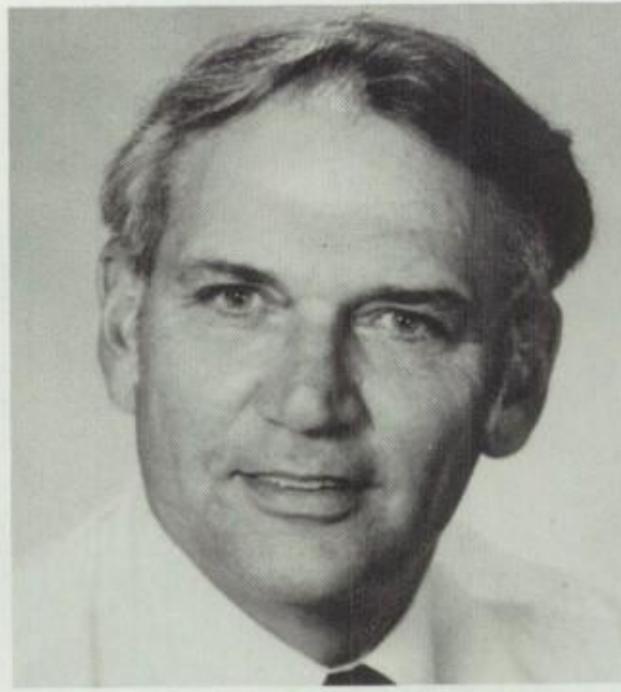

FACULTY

The more things change the more things stay the same. This makes consistency. Binding the school together with a consistency year after year is the administration staff and faculty. Constantly seeking to update educational techniques and continuously trying to improve both the academic and social life of PHS, these people are the core in the center of learning. Ever changing, seeding the new and improved while maintaining a high regard for individual difference, these people change with the greater sense of urgency than most students realize. At once, another year has gone by. New faces, new problems to be tackled and many changes have become inevitable. But those changes which are made will be remembered and are not easily forgotten. Remembered as contributions just as teachers have contributed to the many students who have passed through their classrooms through the years. They have received an education which will take them on through the adventure of life.

A Hallmark of a concerned educator is cooperation with the students and fellow peers. On this note the editor and staff would like to thank those teachers and staff members who gave us their support and the toleration for the inconveniences at times which made this year section a success. Thanks to all. ■

As hard as it is to believe, teachers were once students. Not only that, but teachers started out in cribs, carriages, and on their parents's knees.

When we look at teachers and work with them on a daily basis, sometimes we tend not to think of them outside of school.

From the time we are freshmen until our senior year, four years have passed. We are four years older, so are our teachers. We are going through the adolescent years, they, like good wine, get better with age.

Captured on these pages of our memories, are the pictures of teachers yesterday and today. Their yesterday is a long time ago, and they have consented to share their fond memories to show the changes that have taken place in their lives. ■

SENIORS

Senior Class Officers (left to right:) Barrie Tessler, Treasurer; Mary Wood, Secretary; Lucy Bridges, Vice-President; Sue Larder, President.

What is a Senior?

A Senior is someone who has gone through 11 years of school and is in the process of completing their 12th year.

A Senior is someone a Freshman looks up to.

A Senior is someone a Junior is trying to become.

A Senior is someone who looks at a Freshman and realizes how much they have changed in 4 years.

A Senior is the sum total of the guidance of parents, the instruction of teachers, the pressures of peers, and the culmination of outside influences, or maybe in spite of them.

Todays Senior will emerge as America's tomorrow.

A Senior is one who finishes the formal schooling and takes on the ultimate responsibility

Flower Drum Song

The fourth annual senior class musical was Rodgers and Hammerstein's Flower Drum song. Based on the novel by C. J. Lee, the story is about a mail order bride who comes to America from China to marry an Americanized Chinese boy.

The story is set in San Francisco which lends itself to one of the big production numbers called "Grant Avenue". Other outstanding songs were "Love Look Away" and "I Enjoy Being A Girl". The play was presented the last week in February and had a cast of more than 85 students from all different grade levels.

The play was directed by Mr. Ira Kinder, produced by Mr. Ron Larder, advisor and Mrs. Elaine MacNamara as musical director. More than 30 scholarships ranging from \$100-500 have been awarded to seniors for outstanding help and fine acting. With the new auditorium, a more involved play production schedule and fine arts festival had been planned to begin within the next year according to Mr. Kinder.

Father/Daughter Dinner

October 18, was the Senior Father Daughter Dinner. It was held in the cafeteria, starting prompt at 6:00 p.m. and ending at 8:30 p.m. For some, this was a rare occasion for a senior girl to be with her father.

Since each girl had to bring a covered dish, there was an assorted amount of tasteful dishes to choose from. After everyone finished eating, there was entertainment. First up was Edie Lolieko, who sang "Under The Wing". Then Lisa Mirando and Lori Curry presented poems to their fathers. Mr. James VanOver took the podium for a brief speech. Then Lori Sugarman, Elaine King, Jeanie Holmes, Barrie Tessler, Suzzane Larder and Mellisa Gillette took us all by surprise by doing the finale and closing the show for the Senior Father/Daughter Dinner with a crazy spoof of fun-filled song's. Dressed in their most debonair for this evening they delivered pure entertainment, and a night to be remembered by all who attended.

News and Views

Former Beatle John Lennon was shot to death in front of his home, the Dakota, Dec. 9, 1980. The suspect was identified as Mark David Chapman, 25, an unemployed Honolulu security guard.

Ozzy Osbourne's 1981-82 tour had been marked by several bizarre incidents, the most infamous being the star's reported biting into a bat's head at a show in Iowa. But the next time Osbourne and Co. turned up in the news was March 19, it was because of a tragedy.

The group was staying at a mansion in Leesburg, Florida, getting ready for an evening show. Osbourne's guitarist went for a ride in a small plane, accompanied by the pilot and makeup artist. While attempting to buzz the

mansion, the plane clipped a parked van and a tree, crashed into the house and into flames at 10:30 a.m. The three people in the aircraft died. The 25 year old Rhoade was quickly becoming known as a flashy, fiery player. Considered to some, Rhoade was a master axster, an Angelino, to others he was just another guitarist who died in his religion and his law, Rock and Roll.

Ron Scott, another rock and roller died on Feb. 19, 1980. Former Lead singer of AC/DC was found in his car, only hours later from the departure of his death, alcohol.

John "Bonzo" Bonham, the burly drummer of the Led Zeppelin rock band was found dead in a bed at a luxury riverside mansion. The 32-year old Bonham had not been ill, but there was speculation the bearded drummer choked to death after vomiting during the night. Sept. 25, 1980 brought the departure of Led Zeppelin, and a following of a lifetime fad.

The 1981 Rolling Stones tour was said by many to have been their last, despite the thoughts that have projected into many minds, their tour was a history making event.

Other rock deaths due to drugs or alcohol were as follows: 1979-1983:

Darby Crash, 1981 lead singer of Germs; James Honeyman - Scott, 1981 Pretenders guitarist, cocaine valium; Jim McCulloch, 1979 former Wings guitarist, drugs; Sid Vicious, 1981 heroin; Jim Hardin, singer, 1980, unknown; "If I were a Carpenter", "Misty Rose", heroin.

On November 29, 1981 Nancy Wood slipped off the family yacht and drowned, relatively due to too much drinking. Another fine actress gone, only her memory sits deep in our hearts.

And in the news: 1980: Ronald Reagan stole the votes leaving Jimmy Carter in the peanut field. The President of Egypt, Anwar-Sadat was assassinated Oct. 6, 1981. John Hinckley Jr. made an assassination attempt on President Reagan. On June 21, 1982 Princess Diana gave birth to a beautiful baby boy. April 11, 1980 Eddie Van Halen, guitar (respectively) wed Actress Valerie Bertinelli. 1982 will be the Who's last tour, at least in the states. The Doobie Brothers have broken up for good. Michael McDonald already has out a solo album. Bad Co. have also disbanded themselves from the rock scene due to a fight between two members of the group broke out.

Dawn,

There isn't much that I can say that you don't already know. We've been through it all, the good and the bad, the happy and the sad and there's no doubt in my mind that none of it would have meant anything without you. We may have our fights but I know we love each other and you'll always be there when I need you.

I Love You,

Debbie

Debbie,

There's not enough words to express how much I love you. There's not enough time to tell you how much I care. There's not enough love I can give back to you, to equal what you have given to me. I don't think there are any other twins as close as we are. We can look inside each others eyes and know what each other is feeling. I guess if you add up everything I want to say it would be, "I love you and you're the best!"

I Love You,

Dawn

Congratulations
and Best Wishes.

Dimples,

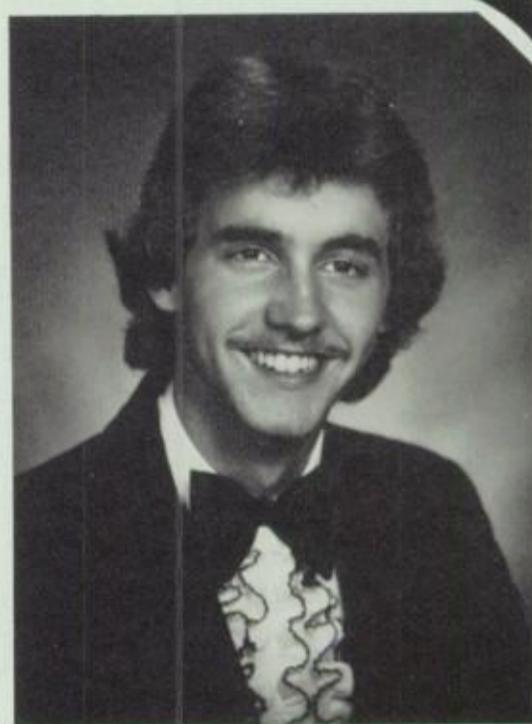

We were united together by something tremendously strong. So strong that the unexplained feelings felt for one another can not be put into words. We try our best by saying "I Love You". But I know the love that is felt for you comes from the deepest part of my heart and soul. These feelings are only felt for you and I. This love is so unbelievably precious. We also suffer with the pain and smile with the joyness of each other.

If we are to be joined in the eyes of the Lord saying our vows unto one another, this will keep us united together until death.

Together we will experience and make the only human miracle come true. A miracle by which this will be a part of you and I forever. (A future bundle of joy). We shall teach this bundle of joy to the best of our ability. We shall grow old together and be proud of the grown up bundle of joy, which we cherish.

These are just our dreams and may we have the pleasure and fulfillment of turning them into reality, together.

To the 1982-83 Yearbook staff,

Putting a yearbook together is a hard job, as we have all found out, and it could not have come together without everyone's help. I just wanted to thank everyone on staff, even though there were a lot of tough times, I want everyone to know that I appreciated their hard work.

I would especially like to thank Lisa Ventresca, Faith Bloemeke, Joyce Hart, and Mr. Kinder.

Iris Donitz
Editor-in-Chief

The 1982-83 Reflections yearbook was produced by the Reflections staff of Plantation High School. Walsworth Publishing Co. published our book, and Tom Barnard was our representative.

"Small World" Goes Over Big

Forty eight fig leaves belonged to Diane Brady as she received the title of "Miss Irresistible" on March 17. All guys were given fig leaves and were instructed not to talk to the girls. If they did, the girl was given the fig leaf. This was the start of Spring Week '83.

For the first time in our school's history a J.V. Powder Puff game was held. The Freshman beat the Sophomores with a score of 13-0. The Varsity game followed with the Seniors defeating the Juniors 32-6. Mr. Roland plans to have a J.V. game every year because he believes it went beautifully.

At 5:30 a.m. Saturday, 270 people boarded buses for the Disney World/Epcot trip. The majority of the people went to Disney World while approximately 10 went to Epcot. The buses returned to PHS at 11:30 p.m.

AFS held an assembly on Monday, March 21 in the auditorium. Speakers were Kevin Lederman of South Africa, Sven Lichtenburg of Germany, and Marianne Rhode of Norway. Each spoke about their country and the differences between their homes and America.

Class Olympics (Play Day) was held after school in the courtyard on Tuesday. Games consisted of party

games such as bubblegum blowing and potato sack races. Sponsor Mr. Roland stated, "The turnout was poor as always." Nevertheless, Seniors came in first place.

Tying in with the theme of "It's a Small World," an International Food Day sale was held during lunch on Wednesday. Each club and organization was asked to represent a country and bring samples of their foods. That evening was Talent Night. Hosts were Kevin Bryant, Marti Taranski, Edie Lebeiko, and Sven Lichtenburg. Some acts were Figment, Daddy Rodent and the Rhythm Rats, Meg Segreto's Dance Co., and numerous singing acts.

Eighteen gallons of ice cream were served at the Sadie Hawkins Dance and Ice Cream Social held in the Cafetorium Friday night. According to Mr. Roland it was an "excellent dance". The dance was T.W.I.R.P. (The Woman is Requested to Pay).

Concluding Spring Week was Monte Carlo Night held Saturday, March 26 in the Cafetorium. The junior class could not handle the details so it was hosted by the Executive Board. Despite this fact, approximately 170 people attended. Games included Craps, Poker, and Roulette. Prizes were donated by local businesses. ■

Lady Colonels Have Great Season

The Lady Colonels Softball team finished the season with a record of 25-5. The team was led to the regional playoffs by Patty Hepler, Erin Connor, Lynn Smith, Jenny Vaughn, and Katie Oliver.

Katie Oliver, pitcher, was selected as "Player of the Year" by the Fort Lauderdale News West section. Katie had a good season this year, pitching three no-hitters and seven shut-outs.

"We had a great season," said Coach Evelyn Hayes, "but it ended badly. We lost the regionals 2-1 after 12 innings of play." The team made it to the regional playoffs against Palm Beach Gardens only after winning the district playoffs for the Northern Conference of the Broward County Athletic Association.

The team started the season ranked as number one, and Coach Hayes feels that next year they will do even better. "Although Patty (Hepler) will be leaving, the actual nucleus of the team will be returning." ■
